11 **UNITED STATES DISTRICT COURT**

12 **DISTRICT OF NEVADA**

13 THOMAS K. KURIAN, individually,
14 Plaintiff/Counterdefendant,
15 vs.
16 SNAPS HOLDING COMPANY, a North
17 Dakota Domestic Corporation,
18 Defendants/Counterclaimant.

Case No.: 2:19-cv-01757-GMN-EJY

19 **AMENDED JOINT PRETRIAL**
20 **ORDER**

21 COMES NOW Plaintiff/Counterdefendant, THOMAS K. KURIAN (hereinafter
22 “KURIAN”), by and through his counsel, E. Brent Bryson, Esq. of the law offices of E. Brent
23 Bryson, Ltd., and Defendant/Counterclaimant SNAPS HOLDING COMPANY (hereinafter
24 “SNAPS”), by and through its counsel, Richard G. Campbell, Jr., Esq., of the law offices of
25 Kaemper Crowell, and John R. Neve, Esq. of the law offices of Quantum Lex, PA, Minnesota
26 Bar No. 278300 (Motion *Pro Hac Vice* to be filed), and pursuant to Local Rule 16-4 and this
27 Court’s Order (ECF No. 127), and submits their revised Joint Pretrial Order as follows:

28 After pretrial proceedings in this case,

///

///

1 IT IS SO ORDERED:

2 **I. THIS IS AN ACTION FOR:**

3 A. PLAINTIFF'S ALLEGATIONS:

4 On May 19, 2014, Plaintiff/Counterdefendant KURIAN ("Kurian") and
 5 Defendant/Counterclaimant SNAPS HOLDING COMPANY ("SNAPS") executed a Spectrum
 6 Manager Lease Agreement wherein SNAPS leased from KURIAN the right to use certain
 7 frequencies contained within call sign WQCP809 (809) issued to Kurian from the FCC. As part
 8 of the duties of the lessee, SNAPS was to build out the portion of the frequencies leased to
 9 SNAPS and use only equipment approved by the FCC but SNAPS failed to do so. SNAPS
 10 additionally failed to pay KURIAN as agreed pursuant to the parties' lease.
 11

12 Plaintiff ("Kurian") filed his complaint in the Eighth Judicial District Court advancing
 13 causes of action sounding in contract law. Defendant (SNAPS) removed the matter pursuant to
 14 Diversity Jurisdiction to Federal Court. All of Kurian's causes of action are based on Nevada
 15 State law. After removing the matter to Federal Court, SNAPS filed its answer and counterclaim.
 16

17 Plaintiff, therefore, alleged Breach of Contract, Fraud/Misrepresentation, Interference
 18 with Prospective Economic Gain, Breach of the Covenant of Good Faith and Fair Dealing –
 19 Contractual, Declaratory Relief, and Injunctive Relief.

20 This Court granted summary judgment on Plaintiff's causes of action for breach of
 21 contract and breach of the implied covenant of good faith and fair dealing. Additionally, the
 22 Court granted partial summary judgment on Plaintiff's first cause of action for declaratory relief
 23 finding that there is a valid contract between the parties. See ECF No. 55.
 24

25 The Court in its Order (ECF No. 59) left counterclaims for Unjust Enrichment,
 26 Fraudulent Misrepresentation, Negligent Misrepresentation, Fraudulent Inducement, Breach of
 27 the Covenant of Good Faith and Fair Dealing and Tortious Interference with Prospective
 28

1 Economic Advantage unresolved.

2 B. DEFENDANT’S CONTENTIONS:

3 Objection: Plaintiff Kurian objects to Defendant’s contentions to the extent Defendants
4 are attempting to relitigate this Court’s prior ruling in favor of Plaintiff on summary judgment.

5 Defendant’s Response to Plaintiff’s Objection: It is well-settled that district courts have
6 the authority to reconsider and revise interlocutory orders, such as orders granting motions for
7 partial summary judgment. *Amarel v. Connell*, 102 F.3d 1494, 1515 (9th Cir.1996) (“[T]he
8 interlocutory orders and rulings made pre-trial by a district judge are subject to modification by
9 the district judge at any time prior to final judgment.”); *Balla v. Idaho State Bd. of*
10 *Corrections*, 869 F.2d 461, 465 (9th Cir.1989); Fed. R. Civ. P. 54(b).

11
12 In May 2014, SNAPS leased the “wireless radio frequency license, WQCP809,” which
13 consists of the 217.5-218 MHz and 219.5-220 MHz frequencies, from Kurian “in exchange for a
14 monthly payment of \$20,390.00.” *See* ECF 55, Order on Summary Judgment Motions at 2. In
15 March 2019, Kurian terminated SNAPS’ lease and, in June 2019, he sued SNAPS for the
16 amounts remaining due under the Lease.

17
18 In May 2019, just two months after he terminated SNAPS’ lease, Kurian sold the 219.5-
19 220 MHz frequencies to PTC-220, LLC, a conglomeration of the seven largest railroads in the
20 United States. Kurian sold the frequencies for an amount that entirely mitigates his damages.
21 Further, despite informing PTC-220, LLC in October 2018 that he would terminate SNAPS’
22 lease to facilitate the sale, Kurian continued to collect rent from SNAPS until March 2019.
23 Kurian breached the clause of “exclusive” rights of SNAPS in the Lease Agreement signed with
24 SNAPS. In addition, Kurian breached the clause of offering “cure period” for the delay in
25 payment from SNAPS and disregarded the clause in the Lease Agreement to offer SNAPS an
26 opportunity to buy the spectrum before he terminated the agreement. Kurian’s actions breached
27
28

1 the covenant of good faith and fair dealing.

2 Since SNAPS discovered that Kurian mitigated his damages by selling the 219.5-220
3 MHz frequencies to PTC-220, LLC, Kurian has offered testimony that conflicts with his prior
4 positions in this matter, and with the Court's summary judgment order. For example, at Kurian's
5 November 10, 2023 deposition, he testified that SNAPS leased no frequencies and no channels:

6
7 Q. · And that lease agreement says -- it's your understanding that
8 that lease agreement SNAPS cannot use any frequencies or any
9 channels?

10 A. · Exhibit A neither have 217 or 219. · If Exhibit A have the 217
11 or 219, they can use.

12 Q. · So if Exhibit A had 219.5 to 220, SNAPS could use those
13 frequencies?

14 A. · Yes.

15 Q. · And if Exhibit A had 217.5 to 218, SNAPS could use those
16 frequencies?

17 A. · That's correct.

18 Q. · But because Exhibit A contains no frequencies, SNAPS
19 cannot use any frequencies or channels?

20 A. · That's correct. · That's what exactly the party -- this is the
21 parties' agreement. · I've read this. · It's limited in all respect --
22 limited in all respect by the parties' agreement.

23 This directly contradicts Kurian's position at summary judgment:

24 First, Snaps received two things as consideration under the
25 Agreement: (1) the *exclusive right to operate in the geographic*
26 *locations and on the channels identified in Exhibit A to the contract,*
27 *and (2) the option to purchase the frequencies.* Specifically, the
28 Agreement provided Snaps, "the right to use certain frequencies of
the Licenses in certain areas, as defined in Exhibit A." These leased
frequencies are referred to in the Agreement as "Channels." Exhibit 1,
p.1. *This lease provided Snaps "the right to use on an exclusive basis*
the Channels" specified on Exhibit "A." Id. The Agreement also
included an option contract, pursuant to which Snaps received the
right to purchase Kurian's "right, title and interest to the Channels."
Exhibit 1, paragraph 3."

1 It also directly contradicts this Court’s holding on summary judgment that (1) “Plaintiff
2 leased its wireless radio frequency license, WQCP809 to Defendant,” (2) the parties’ lease is
3 supported by consideration because “Plaintiff agreed to lease its License to Defendant in
4 exchange for a monthly payment of \$20,390.00,” and (3) mutual assent exists because “[u]nder
5 the express terms of the Agreement, the parties agreed to Defendant providing substantial
6 services to the leased geographical area, in addition to Defendant leasing Plaintiff’s license.” *See*
7 ECF 55, Order on Summary Judgment Motions at 2, 7-8. Kurian cannot escape his mitigation of
8 damages by changing his testimony when confronted with evidence of the sale to PTC-220,
9 LLC. SNAPS leased the 219.5-220 MHz frequencies, and Kurian mitigated his damages by
10 selling those frequencies to PTC-220, LLC shortly after he terminated SNAPS’ lease.

II. STATEMENT OF JURISDICTION

Jurisdiction and Venue are proper in this court because the acts and omissions complained of herein occurred and caused harm to Plaintiff in the City of Las Vegas, Nevada, County of Clark.

III. THE FOLLOWING FACTS ARE ADMITTED BY THE PARTIES AND REQUIRE NO PROOF:

A. The parties signed an agreement entitled Spectrum Manager Lease Agreement dated May 19, 2014.

IV. THE FOLLOWING FACTS, THOUGH NOT ADMITTED, WILL NOT BE CONTESTED AT TRIAL BY EVIDENCE TO THE CONTRARY:

A. That there was a valid contract between the parties;

B. That the Defendants (Snaps) breached the valid contract;

C. That the Defendants (Snaps) breached the implied covenant of good faith and fair dealing;

D. That Kurian sold the 219.5-220 MHz frequencies to PTC-220, LLC;

V. THE FOLLOWING ARE THE ISSUES OF FACT TO BE TRIED AND DETERMINED AT TRIAL

1 A. PLAINTIFF'S ISSUES OF FACT

2 1. What are Plaintiff's damages when the court has determined there to be
3 the existence of a valid, enforceable contract between the above-captioned parties, when
4 Plaintiff performed his duties and obligations that arose under or were imposed upon
5 Plaintiff by the terms of the contract, but when Defendant did not perform its duties and
6 obligations that arose under or were imposed upon Defendant by the terms of the contract
7 by repeatedly failing to timely pay, or not pay at all, its monthly payment to Plaintiff, a
8 material failure of performance and breach of the terms of the contract resulting in
9 damages to Plaintiff.
10

11 2. What are Plaintiff's damages when the court has determined there to be
12 the existence of a valid, enforceable contract between the above-captioned parties that
13 imposes upon each party a duty of good faith and fair dealing in its performance and
14 execution of the terms of contract, and when Defendant breached its duty of performance
15 and execution of the terms of the contract by (1) failing to build out the leased channels;
16 (2) failing to make timely payments to Plaintiff pursuant to the terms of the agreement;
17 (3) failing to provide Plaintiff with oversights; (4) failing to allow Plaintiff to inspect
18 Defendant's operations; (5) failing to construct and operate to provide coverage to two-
19 thirds of the population; (6) failing to operate equipment pursuant to FCC authorization
20 and approval; and by (7) failing to provide engineering studies as per FCC regulation;
21 and thus acted in a manner unfaithful to the purpose, intent and spirit of the parties' valid
22 and enforceable contract that resulted in Plaintiff's justified expectations under the
23 contract being denied and required Plaintiff to rebuild the infrastructure himself to save
24 his license from being revoked by the FCC but, moreover, resulted in damages to
25 Plaintiff in the amount of \$10,194,996.00.
26
27
28

1 B. DEFENDANT’S ISSUES OF FACT

2 Objection: Plaintiff Kurian objects to Defendant’s issues of fact to the extent
 3 Defendants are attempting to relitigate this Court’s prior ruling in favor of Plaintiff on
 4 summary judgment.

5 Defendant’s Response to Plaintiff’s Objection: It is well-settled that district courts
 6 have the authority to reconsider and revise interlocutory orders, such as orders granting
 7 motions for partial summary judgment. *Amarel v. Connell*, 102 F.3d 1494, 1515 (9th
 8 Cir.1996) (“[T]he interlocutory orders and rulings made pre-trial by a district judge are
 9 subject to modification by the district judge at any time prior to final judgment.”); *Balla*
 10 *v. Idaho State Bd. of Corrections*, 869 F.2d 461, 465 (9th Cir.1989); Fed. R. Civ. P.
 11 54(b).

12
 13 1. Can Kurian change the Court’s holding on summary judgment that
 14 SNAPS leased the “wireless radio frequency license, WQCP809” from Kurian “in
 15 exchange for a monthly payment of \$20,390.00” by later creating contradictory
 16 testimony? *See* ECF 55, Order on Summary Judgment Motions at 2.

17
 18 2. Did Kurian entirely mitigate his damages by selling the 219.5-220MHz
 19 frequencies to PTC-220, LLC after terminating SNAPS’ lease?

20
 21 3. What are Defendant’s damages for the Plaintiff’s breach of the implied
 22 covenant of good faith and fair dealing?

23 **VI. THE FOLLOWING ARE THE ISSUES OF LAW TO BE TRIED AND**
 24 **DETERMINED AT TRIAL**

25 A. PLAINTIFF’S ISSUES OF LAW:

26 1. Is Defendant entitled to relief upon its counterclaims contained in
 27 Defendant’s Amended Answer Adding Counterclaims, ECF No. 30?
 28

2. As the Court has determined there to be the existence of a valid and enforceable contract between the above-captioned parties, can Defendant maintain its second cause of action for unjust enrichment in Defendant's Amended Answer Adding Counterclaims, ECF No. 30.

B. DEFENDANTS' ISSUES OF LAW:

1. If the Court considers the evidence offered by Kurian after the Court's summary judgment order, what are the terms of the parties' contract?

VII. EXHIBITS

A. The following exhibits are stipulated into evidence in this case and may be so marked by the clerk:

1. The parties' executed Spectrum Manager Lease Agreement dated May 19, 2014, Bates range KURIAN10387-KURIAN10408 [ECF No. 45-2].

B. As to the following exhibits, the party against whom the same will be offered objects to their admission on the grounds stated:

1. Objection: Plaintiff objects to any documents proffered by Defendants not previously provided prior to the discovery cutoff date.

2. Objection: Defendant objects to any documents proffered by Plaintiff not previously provided prior to the discovery cutoff date.
